Greetings:

The Maryland Joint Child Support Council is a non-profit organization representing child support enforcement professionals throughout Maryland. We are committed to improving the knowledge and skills of this dedicated group who serves the families of Maryland through a training conference each year, which the Council organizes and sponsors in the fall in Ocean City, Maryland. It is also a unique opportunity for informal networking among the various partners who provide these services. The theme of this year's conference is "Each One, Link One" and will be held at the Clarion Resort Fontainebleau Hotel on October 13 – 16, 2009.

The idea behind the theme is that it takes many partners, including vendors like you, concerned with obtaining financial and medical support for Maryland's children linked together to pursue the financial and medical support for Maryland's children. Maryland has many opportunities for vendors and this would be a great opportunity to advertise your product to those who would be deciding what products or services to purchase or contract. Again this year, we will have a separate vendor exhibitor room, where refreshment breaks will be held, for our vendors who wish to have displays. We hope that this will create more exposure for our vendors and encourage more networking between child support staff and the exhibitors.

Enclosed for your consideration are a Sponsor Price List, a Vendor Registration/Exhibit Form, a Conference Registration Form and a Hotel Reservation Form. Please consider the different levels of sponsorship, as our conference would not enjoy the success that it has without the generosity of our partner vendors. We would be grateful for any contribution your company can offer.

Thank you for your consideration. Please contact me at 410-951-8011 if you have any questions or require additional information.

Sincerely,

Beverly Wilson  
President
